Appendix B—Final Regulatory Flexibility Analysis

As required by Section 603 of the Regulatory Flexibility Act, the Commission

prepared an Initial Regulatory Flexibility Analysis (IRFA) of the expected impact of the proposals contained in the Notice of Proposed Rule Making, PP Docket No. 93-253 on small entities. By this Order, the Commission responds to a Congressional directive contained in the Budget Act to consider measures to deter unjust enrichment in the lottery context. The Commission received no comments in response to the IRFA concerning unjust enrichment in the lottery context. As noted in the text of the Order, we considered and rejected more burdensome requirements designed to deter unjust enrichment, such as additional transfer restrictions for licensees that acquire their license by lottery. Rather, we adopted the less onerous transfer disclosure requirement that is expressly recommended in the Budget Act. In the case of some spectrum-based services, such as Low Power Television, entities that file transfer of control applications with the Commission are currently required to submit information similar to what the Commission explicitly requires by this Order: copies of documents that reveal the transfer price for a license. Further, in other services, applicants for voluntary transfer of control or assignment are currently required to submit information in support of their request. Inasmuch as any contracts, purchase agreements, or similar legal documents detailing the consideration received by the transferor or assignor will presumably already have been prepared by the parties to the transaction for their own purposes, attaching a copy of such documents to the application(s) submitted to the Commission should not prove onerous. Accordingly, the Commission does not believe this limited disclosure requirement adds a significant economic burden on small entities.

## FEDERAL HOUSING FINANCE BOARD

[No. 95-N-03]

# Notice of Federal Home Loan Bank Members Selected for Community Support Review

**AGENCY:** Federal Housing Finance Board.

**ACTION:** Notice.

SUMMARY: The Financial Institutions Reform, Recovery, and Enforcement Act of 1989 added a new Section 10(g) to the Federal Home Loan Bank Act of 1932 requiring that members of the Federal Home Loan Bank (FHLBank) System meet standards for community investment or service in order to maintain continued access to long-term FHLBank System advances. In compliance with this statutory change, the Federal Housing Finance Board (Housing Finance Board) promulgated Community Support regulations (12

CFR part 936). Under the review process established in the regulations, the Housing Finance Board will select a certain number of members for review each quarter, so that all members that are subject to the Community Reinvestment Act of 1977, 12 U.S.C. 2901 et seq., (CRA), will be reviewed once every two years. The purpose of this Notice is to announce the names of the members selected for the fifth quarter review (1994-95 cycle) under the regulations. The Notice also conveys the dates by which members need to comply with the Community Support regulation review requirements and by which comments from the public must be received.

**DATES:** Due Date for Member Community Support Statements for Members Selected in Fifth Quarter Review: May 31, 1995.

Due Date for Public Comments on Members Selected in Fifth Quarter Review: May 31, 1995.

### FOR FURTHER INFORMATION CONTACT:

Joseph A. McKenzie, Associate Director, Office of Housing Finance, (202) 408– 2845, Federal Housing Finance Board, 1777 F Street, N.W., Washington, D.C. 20006.

A telecommunications device for deaf persons (TDD) is available at (202) 408–2579.

## SUPPLEMENTARY INFORMATION:

A. Selection for Community Support Review

The Housing Finance Board currently reviews all FHLBank System members that are subject to CRA once every two

years. Approximately one-eighth of the FHLBank members in each district will be selected for review by the Housing Finance Board each calendar quarter. To date, only members that are subject to CRA have been reviewed. In selecting members, the Housing Finance Board follows the chronological sequence of the members' CRA Evaluations post-July 1, 1990, to the greatest extent practicable, selecting one-eighth of each District's membership for review each calendar quarter. However, the Housing Finance Board will postpone review of new members until they have been System members for one year.

Selection for review is not, nor should it be construed as, any indication of either the financial condition or Community Support performance of the institutions listed.

Each application is available for immediate inspection at the Federal Reserve Bank indicated. Any request for a hearing on this question must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

Unless otherwise noted, comments regarding the applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than April 28, 1995.
